

970-0067V **ULTRA HIGH RESOLUTION COMPACT MOTORIZED ACTUATOR WITH VACUUM COMPATIBLE DC MOTOR**

Motorized actuators mostly used in mirror and optical mounts for remote fine adjustment. Field of application limited only by creativity of the user. Actuator body is made from aluminum. Actuators are cleaned in vacuum chamber before packing and shipping.

- 13 mm or 25 mm travel range
- Lead screw pitch is 0.25 mm
- Max. speed is 0.15 mm/s
- Cable: integrated, 2 m length
- Non-vacuum version available

SPECIFICATIONS

Model	970-0067V-13	970-0067V-25
Travel range	13 mm	25 mm
Minimum Incremental Motion	0.028 μm	
Lead screw pitch	0.25 mm	
Max. speed	0.15 mm/s	
Nominal force	30 N	
Cable	integrated, 2 m length	
Motor connector	HDB15(M)	
Vacuum compatible DC motor	DCE1841	
Weight	0.12 kg	0.15 kg
