Precise screw 870-0010	
Precise screw travel, mm	13
Thread step, mm	0.5
Sensitivity, μm	1

Micrometer screw 870-0020 with reading marks	
Micrometer screw travel, mm	13
Division value, mm	0.01
Limit of permissible error, μm	± 4
Thread step, mm	0.5

Code	Weight, kg	Price, EUR
870-0010	0.05	32
870-0020	0.05	37

870-0030 FINE CLOSED SCREW

Fine Closed Screw 870-0030 offers high 1 μm resolution and smooth movement. Its travel range is 10 mm. The screw is used with most of our mounts. The handle covers the thread over the complete travel range.

Special micrometer screw design for use in optical mounts for angular adjustment.

External mounting thread – **M10x1**.

External **M10x0.5** mounting thread is available on request.

SPECIFICATIONS

Travel range	10 mm
Length	50 mm
Resolution	1 μm
Screw pitch	M6x0.5
Mounting Thread	M10x1
(as option)	M10x0.5
Weight	0.02 kg

Code	Price, EUR
