

Our growing, modern high-tech company in Vilnius looking for:

## SUPPLY CHAIN SPECIALIST

### KEY RESPONSIBILITIES:

- Develop and implement supply chain strategies to optimize cost, efficiency, and quality;
- Negotiate contracts and agreements with suppliers and vendors;
- Monitor inventory levels and coordinate with production and sales teams to ensure adequate stock levels;
- Develop and maintain relationships with key suppliers and vendors;
- Conduct regular performance evaluations of suppliers and vendors to ensure compliance with company standards;
- Collaborate with cross-functional teams to improve supply chain processes and systems.

### WE OFFER:

- Salary from 1600 to 2000 EUR (gross). The final offer will depend on the experience and competencies of the selected candidate;
- Additional pay dependent on the company's results;
- Flexible working hours;
- Health and accident insurance.

### REQUIREMENTS:

- Experience in supply chain management, preferably in a manufacturing or distribution environment;
- Strong negotiation and communication skills;
- Proficiency in Microsoft Office, particularly Excel;
- Strong analytical and problem-solving skills;
- Ability to work independently and in a team environment;
- Excellent time management and organizational skills.

If you are a results-driven and detail-oriented individual who thrives in a fast-paced environment, we encourage you to apply for this opportunity to join our team as a Supply Chain Specialist.
